MEMORANDUM

April 27, 2011

To: Regional Representatives and CoC Chairpersons

From: Janet Irrer, MSHDA Homeless Programs Manager

Re: Funding Guide for Homeless Assistance Programs

The attached spreadsheet is a snapshot of funds made available in 2009 by the State of Michigan to address housing and/or services to people living in homelessness. MSHDA, along with our Campaign partners: DHS, DCH, and DOE, are providing this information to ensure that communities are aware of possible funding sources, thereby enabling strategic use of limited dollars.

Pages one and two outline dollars spent on housing programs by state agency; pages three through five outline non-housing services for low income and homeless households.

Please understand this spreadsheet is not all inclusive; for example, local Community Mental Health, the Department of Corrections, the United Way, and Domestic Violence programs/dollars are not shown nor are philanthropic sources. Also, funding available in 2009 may/may not be available in 2011, e.g. federal stimulus funds. This spreadsheet is to be used as a guide, to heighten awareness for strategic spending.

As partners in Michigan's Campaign, I hope you find this guide useful. If you have questions, please feel free to contact me at irrerj@michigan.gov or phone (517) 335-3038. Also, if you like this spreadsheet, thank Scott Clark, clarks15@michigan.gov, MSHDA staff member, for his patience in putting it together for you.
